**Keynote speaker:**  
**Dr. Andrew Wakefield**

**WHERE: Steps of the Idaho State Capitol**

**WHEN: Wednesday, August 3rd**

**from 11 am - 12 pm**

The powers that be were able to get the eye-opening film  
"Vaxxed: From Cover-up to Catastrophe"  
shut down right here in Boise, ID.

**JOIN US AS WE STAND  
AGAINST CENSORSHIP & FRAUD!**

We demand Congress stop ignoring massive fraud within the Centers for Disease Control and Prevention (CDC) and conduct an honest investigation! In spite of the attempt to silence our freedom, Health Freedom Idaho has successfully secured several screenings of "Vaxxed" to be shown in two theaters in Boise.

*Health Freedom Idaho (HFI) is an alliance of concerned Idaho citizens, healthcare professionals and families interested in preserving Idaho's health freedoms.*

- *We believe that each person, parent or guardian should be free to choose how to stay healthy, creating their own path to wellness.*
- *We are committed to preserving, for the people of Idaho, the right to access the healing and healthcare treatment, information, and services of their choice*
- *We protect practitioners' right to practice; developing state laws, statutes, and codes that protect practitioner rights while honoring our inalienable human right to direct all aspects of our own and our children's health.*
- *We strive to empower the citizens of Idaho, informing them of laws and factors impacting their right to access and exercising informed consent.*
